

Corporate Partner Session Opportunities

SESSION TRACKS

SACRAO is offering a limited number of exhibiting Corporate Partners the opportunity to present sessions in a special Corporate Partner session track. These sessions provide an additional opportunity for our Corporate Partners to present products, services, and/or new technologies to the SACRAO members attending the annual meeting. Please note the following:

- Only Corporate Partners who have paid in full the Corporate Partner Exhibit Fee are eligible to present in a Corporate Partner session track.
- Session slots are awarded on a “first come, first served” basis, with priority session times awarded to *Capstone*, *Diamond*, and *Platinum* Sponsors.
- The cost for each Corporate Partner session is \$500.00, except where the paid sponsorship level includes a free or discounted Corporate Partner Session opportunity. All additional sessions are \$500.00 each.
- Corporate Partner sessions will be presented in a regular meeting room with all technology provided to any other conference presenter in the *Baton Rouge Raising Cane’s River Center* and will be listed in the SACRAO 2019 *Guidebook* conference app, if the title and description is received within the prescribed deadline.
