

Spring 2016

SACRAO Newsletter

Hello SACRAO!

We are delighted to bring you the Spring 2016 newsletter. In this edition you will find invaluable information, old friends, new friends, highlights from SACRAO 2016 and sneak peaks at SACRAO 2017. Thank you for all you do in the realm of higher education. You make such a difference for students in ways you could never imagine.

Through organizations like SACRAO we are able to share our expertise and advice with others around the region. Several states may comprise this association, along with hundreds of schools, but we still manage to create a close nit community that is excited to share their passion for the profession.

We hope you enjoy the Spring 2016 SACRAO newsletter.

Sincerely,

The SACRAO Executive Committee
